Mac W9DGA, Treasurer, made a complete financial report on Hamfest and Club activities. His report was accepted as read.

Hamfest 1966 was discussed and the board made the following recommendations.

- 1 - If at all possible and still retain a suitable Hamfest site, the Club should not engage in the "Food Business". In other words, if our Hamfest location depends upon ordering so many dinners in order to get the site, we should look for a new location.
- 2 - Look into the possibility of The ARA or any commercial business selling sandwiches and drinks and completely relieving TARS from financial responsibility and work. All profits would naturally go to these people.
- 3 - Any losses would also be sustained by them and they must comply with all local food laws.
- 4 - Earl K9PNJ, Ray W9OG, Ralph K9STX will head a committee to chose a 1966 Hamfest site with these recommendations in mind.

All past President's, guests, Mr Chairman and members of TARS welcome to the Annual Founders Day Dinner which has become a tradition over the years. We honor our Past President's tonite.

Our Club in 1965 had no earth shaking events but we did keep the status-quo.

- 1 - We had 8 board meetings this year and 7 regular meetings with 1 snowed out in February.
- 2 - A new Club Directory was published.
- 3 - We now have a nice meeting place at the Lighthouse.
- 4 - We had the largest auction in Club history.
- 5 - Three TVI complaints were investigated and solved.
- 6 - A new Generator was purchased and is in ~~REGULAR~~ use.
- 7 - AREC has been very active and participated in Armed Forces Day Parade.
- 8 - We had technical talks from Fay, Paul and Cliff.
- 9 - Field Day & Hamfest ~~was~~ <sup>were</sup> a suces~~s~~. (we broke even)
- 10 - We had five hidden transmitter hunts.
- 11 - Sweepstakes awards were won by Ray & Cliff.

This is just a small portion of the Club activities thru the year and none of this would have been possible without the help of many persons-especially Clifford McGuyer & Ray Miller. They were the workhorses of your Club this year, and they deserve our thanks. Also to our Dinner Chairman, Robbie. You ladies of ARA were a great help this year, thanks.
